

Dixon Exterminating Co., Inc. (Dixon) is the Termite service provider for the Killearn Commons Homeowners Association, Inc. (KCHOA) Pool Complex. A business relationship has been established between Dixon and KCHOA that provides Killearn Commons Homeowners / Members quality services and products.

Dixon Exterminating Co., Inc. is a locally owned and operated pest management firm. We were founded in 1964 by H.T. (Tommy) Dixon and currently operated by Charles Dixon. Over the years, we have grown from one employee to 20 employees. Our service area includes most of North Florida, Southwest Georgia, and Southeast Alabama. On our staff, we have two licensed pest control operators and eighteen registered technicians. We have access to an entomologist through the National Pest Management Association. Dixon is a member of two local Chambers of Commerce, Florida Pest Management Association, the Georgia Pest Control Association, Professional Pest Management Alliance, QualityPro, and the National Pest Management Association.

QualityPro means we meet the highest quality of services in the industry. Dixon has been approved for the fifth year as a member in good standing of QualityPro, the mark of excellence in pest management. As a member of this exclusive group, Dixon Exterminating Company, Inc. has placed itself in the top echelon of pest management companies in the nation.
